TOWNS

Switzerland is home to a selection of multicultural cities. Through their diversity and unique charm, you will have the feeling of traveling to another country at every step of your journey. Do not hesitate to contact the main reception if you need further information on Swiss cities.

LAUSANNE

As the second-largest city on Lake Geneva, Lausanne combines a dynamic commercial town with the location of vibrant hotels. The city is also capital of the Canton de Vaud and houses large convention venues and exhibitions, whilst being a center for renowned universities. Sports and culture are given a high profile since Lausanne is the birth place for the International Olympic Committee.

GENEVA

Embedded between nearby Alpine peaks and the hilly terrain of the Jura, Geneva lies where the Rhone leaves the Lac Léman. With its humanitarian tradition, cosmopolitan flair, the European seat of the UN and headquarters of the Red Cross, the city is known as “the capital of peace”.

ZURICH

Zürich, regarded as a “metropole of experiences” by the water, offers a unique mixture of attractions - over 50 museums and more than 100 art galleries, international fashion labels, and the most flamboyant and lively nightlife in Switzerland.

GSTAAD

The Gstaad-Saanenland holiday region in the Bernese Oberland is popular with a charming mix of visitors: while the chalet village of Gstaad attracts countless stars and starlets, the smaller neighboring villages offer attractive options for families with children.

Please find hereunder our selection of museums to visit in the region. Whether you are passionate for art or watch making, these places will inspire you. Feel free to contact us if you need more information about the museums of the region.
