

REVITALIZATION PROGRAM

Clinique La Prairie's exclusive and renowned Revitalization program has a marked rejuvenating effect. This program is recommended from the age of 40, with results lasting from 12 to 24 months. For those suffering from extreme exhaustion or in special cases, Revitalization can be administered at a younger age.

OUR PROGRAM INCLUDES

- Six nights from Sunday to Saturday including full board
- Exclusive Clinique La Prairie Revitalization
- One medical check-up: laboratory analyses, chest x-ray, abdominal ultrasound, ECG
- One dental check-up: full mouth x-rays, complete report from the dentist
- Consultation and daily follow-up by the attendant doctor, and nursing care
- Dietetic follow-up upon request
- One personalised advice at the Center for Aesthetic Medicine and the Beautymed Center
- One 90-minute Facial Treatment by Swiss Perfection of your choice (Cellular Exclusive Lift Concept excluded)
- Two 60-minute high-touch treatments of your choice
- One 30-minute personal training session
- Group fitness and aquagym classes
- Access to the fitness center, swimming pool, sauna, steam room and vitality pool
- Limousine services from/to the airport or train station
- All non-alcoholic beverages
